Wildman Jon:
Well another year is about gone and boy am I glad. Ok you work at your fathers plant this summer help the floors clean and he might give you a quarter. Take care and I'll see you soon

Arnold Kozial

P.S. → Leave those Damned Firecrackers alone

Jon,
I've had several classes with you this year: Biology, Study hall, Algebra, & French. Nope we have a lot together next year too. Well can you believe we'll be Juniors NEXT year? Wow!!! You're a great guy so don't change. Have a great summer!

Love
Julia

P.S. I will come pick you up sometimes. (If I ever get my license)

Autographs

Well Jon,
The year is almost gone, thank God, and I guess you will be repeating your grade. Of course Algebra. Fractions are bad! Biology and need don't go very well. Have a good summer and work like a mamma tapa to earn a dime. Good luck! God bless if willing.

Steve Walker

Jon,
This year was bad for you I know because I was in your class. 2 times this year. That would be bad for any one. I know you just love the beach when old Easter came along. Don't become as bad as Joey T. What ever you do.

Good luck
Rainy H Bland

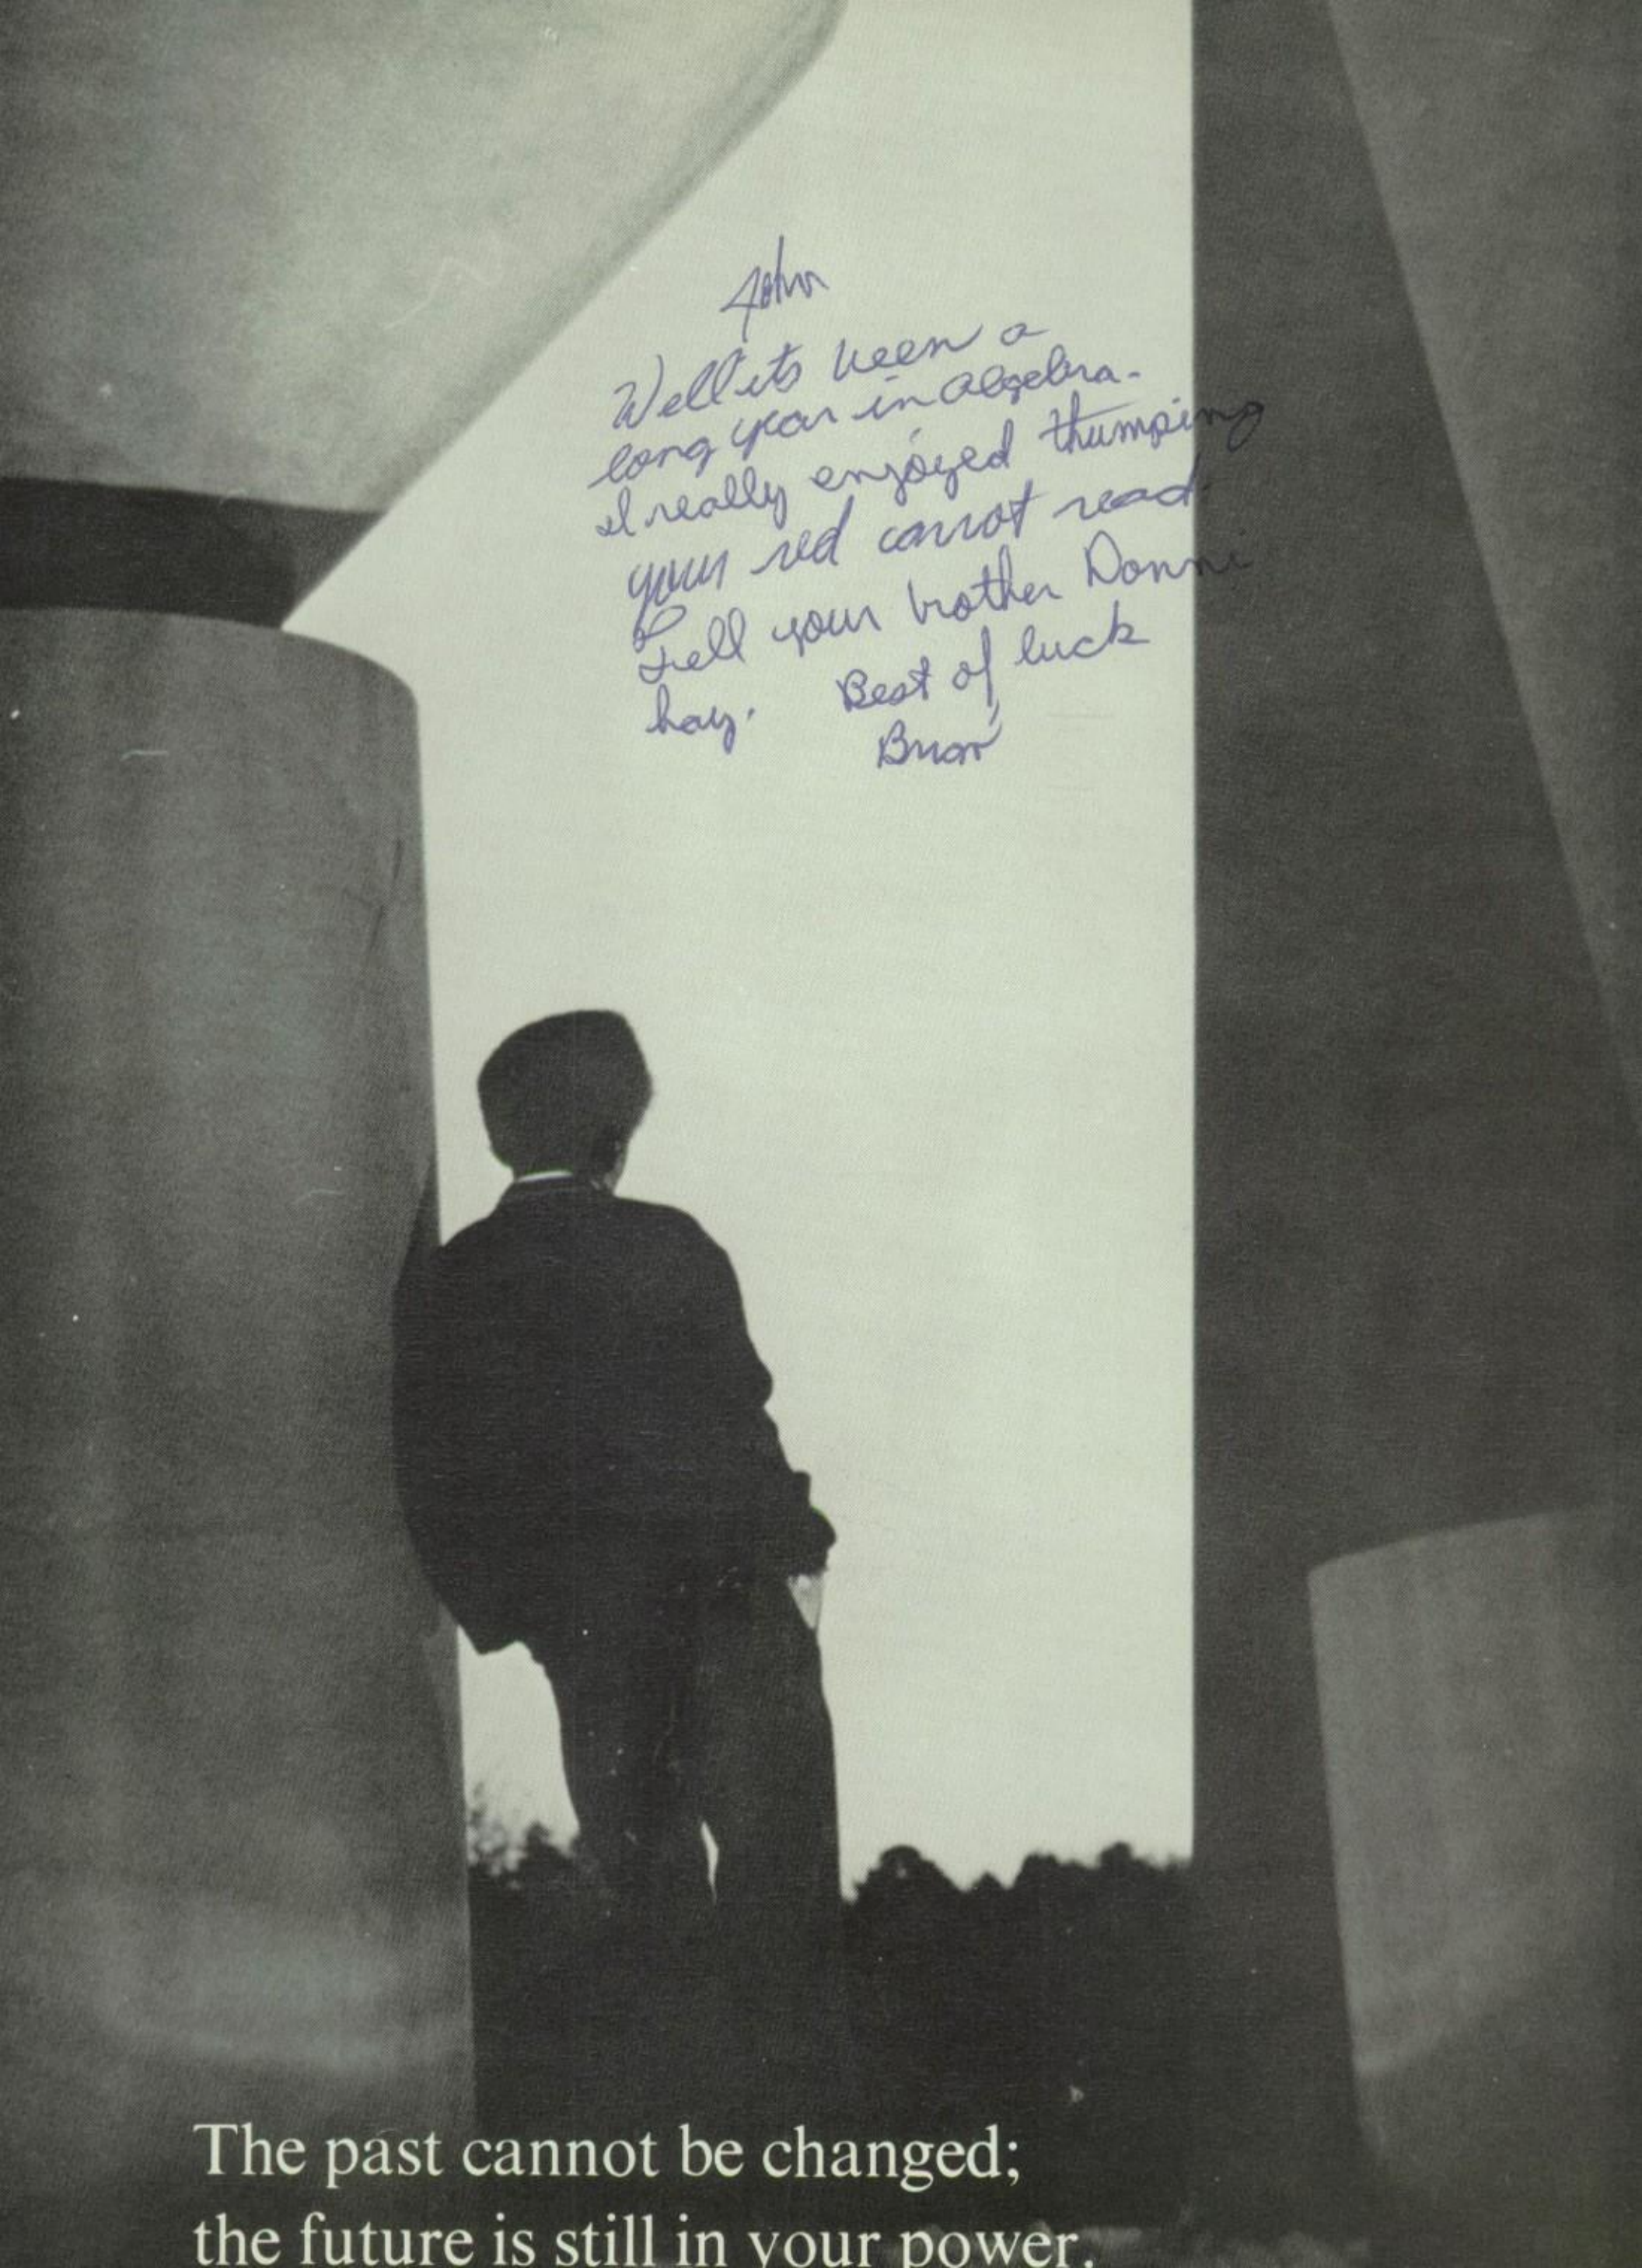
Jon,
It looks like the years about up and I guess we've had our share of having fun + getting in trouble. I bet if I'd had a 4 barrel we wouldn't have got caught throwing fire crackers. Well, let's raise it this summer at the lake and at the beach at graduation.

Joe

P.S. It's gonna cost a-lotta to fix Mrs. Davis' car, the old S.O.B.

Jon,
Well, its almost over but its been fun. We'll have to go riding sometime. Remember what we said remember the rear. Be good and don't race too much. —

Love,
Susan



The past cannot be changed;
the future is still in your power.

Tomorrow is the wine of wonder
it teaches all there is to teach
and if we're patient
and we talk to one another
there'll soon be nothing
we can't reach.

MHS Band Activities

This is the parade, not the practice.

What are you doing?

JUNIOR SENIOR

Where is everybody?

Did you ever have to make up your mind?

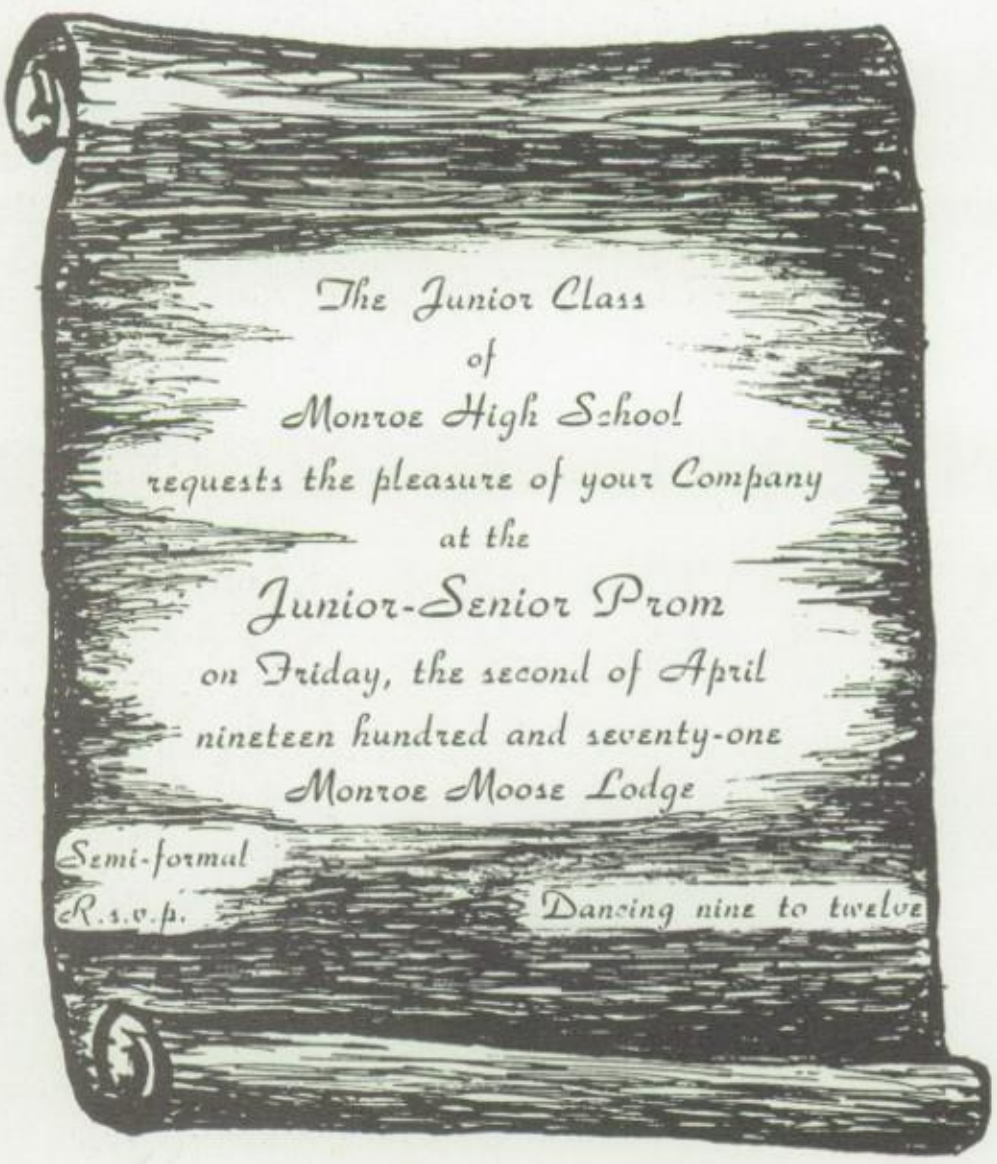
The display of palm trees, leis, and the bamboo punch tree gave the Moose Lodge an Hawaiian atmosphere. Everyone, dressed in Formals and Tails, danced until midnight to the electric beat of the Villagers. Junior-Senior 1971 was an unforgettable night!

Mr. Hyde eyes his victim.

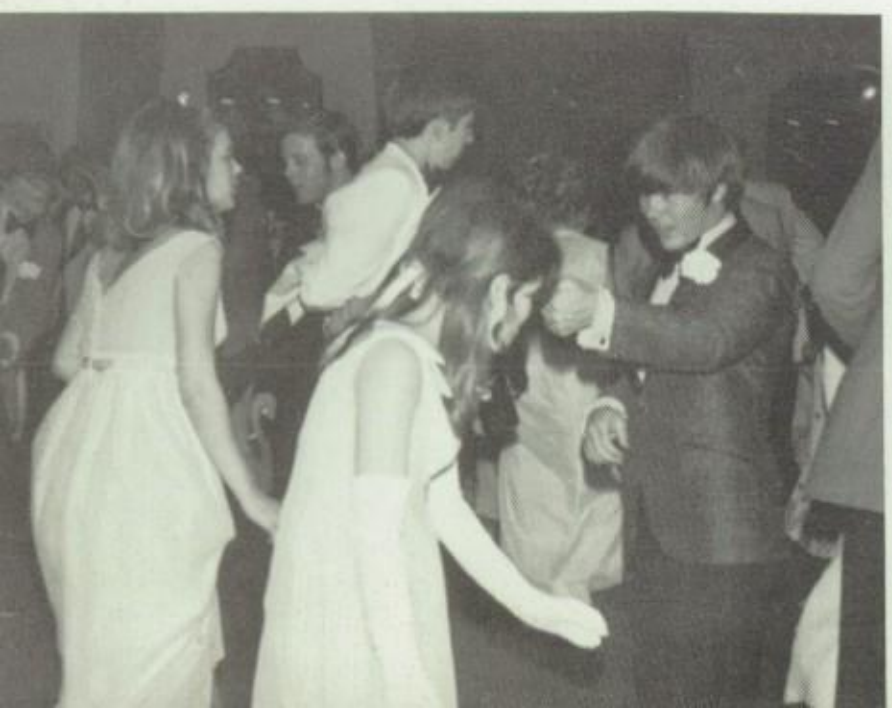
Is that dancing??!??!

Whose idea was this anyway?

The Villagers practicing "Three Blind Mice"



Sock it to her, Dillon!



Hey, loosen up!

The 1971 May Dance was rained out of the court and into the cafeteria. Despite the dreary weather, everyone seemed to have a good time as they danced to the music of JAG, a rock group from Raleigh. The height of the evening was the crowning of Becky Smith as our 1971 May Queen.

The 1971 Valentine Dance was held February 13 from 8:00 to 12:00 at the Monroe Country Club. THE MAJORS from Greensboro, North Carolina provided the music.

The highlight of the evening was the crowning of Miss Cathy Howie as our 1971 Valentine Queen.

This was the most successful dance held all year, thanks to the students of M.H.S.

HOMECOMING 1971

The 1971 Homecoming festivities began with the decorating of floats for the traditional parade down Main Street. At half-time of the football game, shortly after the French Club was announced first prize winner in the float competition, Wal Passos was crowned as our 1971 Homecoming Queen. Everyone enjoyed the dance, held at the Monroe Country Club. The Flares, a seven-man brass band, provided the music.

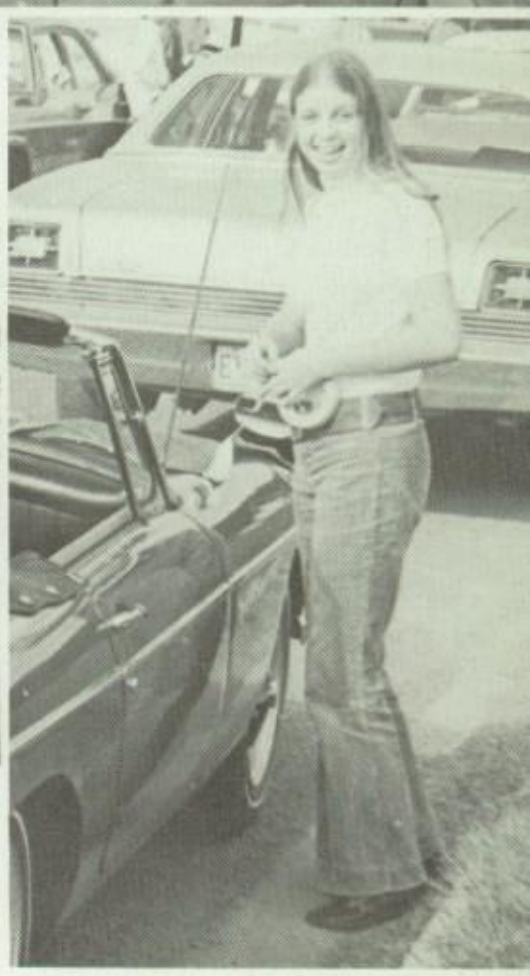
The Rebel

EDITOR-IN-CHIEF: Jean Simpson
SPONSOR: Mr. Ronnie Williams

"The Rebel Yell" has played an important part in the communication of the students this year. It is printed by the students for the students. News items tell of current events, editorials voice student opinions, sports events are recorded, and features are written in the interest of the student body. "The Rebel Yell" staff works hard to publish each issue to keep MHS students informed.

EDITOR AND HER ASSISTANTS: Trish Elliot and Pam Elliot



WAL PASSO, the foreign exchange student this year, is from Curitiba, Brazil. She resides with her American "parents", the A. O. Sartains. She has had many new experiences in her new home. One of the most exciting was seeing her first snowfall. Wal is an active participant in school affairs: She was crowned Homecoming Queen and was elected to a senior class office. Her friendly ways won her the senior superlative, Friendliest. The only giveaway that she's an exchange student is her South American accent, though she speaks English quite well. Wal has added much to our school this year. We've laughed at her reactions to the snow and sympathized with her trying to understand English slang. She's really a unique girl, easy to get to know and easy to get along with. Even though she seemed different at first, she's now a true Tarheel "Southern Belle". Wal says this has been "the best year of her life." We hope she'll carry home with her many cherished memories of her friends at MHS.

DECA participates in many state and district projects. For the fourth consecutive year, it has won first place in the NC–SC District Fair for a Fair Booth Entry. In the North Carolina State Fair at Raleigh, DECA won a first place Blue Ribbon. They also received A Sears-Roebuck 3-Star Plaque in local competition.

Projects for the local school and community included a Bosses' Banquet, Parents' night, Teachers' Tea, and renewal of Monroe High's sign.

We are very proud of your accomplishments this year, DECA.

VICA

VICA (VOCATIONAL INDUSTRIAL CLUBS OF AMERICA) is a youth organization designed for all students of Trade and Industrial Education.

Monroe High VICA meets periodically to provide opportunities for the members to participate in educational, social, recreational, and vocational activities. Participating members develop leadership, fellowship, self-confidence, personality, and poise. The program of VICA activities also aids in stimulating proper attitudes, character development, and promotion of those behavior patterns vital to becoming a citizen, who is an asset to his home, school, community, State, and Nation.

The Monroe High Chapter has won many honors in competition on the district and state level during the past few years. In 1970 and 1971 Monroe had State Winners who participated in national competition in St. Louis, Missouri, and Indianapolis, Indiana.

The Student Council is an organization enabling the students to have a voice in the government of MHS. The Council is composed of a representative and an alternate from each homeroom in all four grades.

Throughout the year the council sets up projects to help the school in any way it can. The annual Homecoming Parade and Dance is its biggest spectacle for the students' enjoyment.

Each year the Student Council officers attend a state-wide convention. This year it was held in Gastonia.

The great question which, in all ages, has disturbed mankind, and brought on them the greatest part of those mischiefs which have ruined cities, depopulated countries, and disordered the peace of the world, has been, not whether there be power in the world, not whence it came, but who should have it.

MARSHALS

The MARSHALS see that the activities involving graduation run smoothly. The top students of the junior class are awarded this honor. They are involved in many jobs, such as, getting flower arrangements, setting the stage, and cleaning up after the graduation exercises. Under the supervision of Mrs. Linda F. Hilton, they performed the duties of ushering and giving out programs at the Baccalaureate Sermon, Awards Day, and Graduation.

TO THE SENIOR CLASS OF 1973:

As we reach the end of our Senior year, we pause to look back upon memories of our four years at MHS.

That Freshman year was filled with excitement and bewilderment leading us into a new unknown. Our first involvement in MHS spirit came with pep rallies, new cheers, and homecoming festivities.

Then as sophomores, we were a little more sure of our steps, yet not certain of their outcome.

With our Junior year came PSAT, National Merit, SAT – the tests seemed endless. But the school work was forgotten when we received our class rings, won the All-conference football championship and attended our first Junior-Senior Prom.

Finally, we became Seniors and suddenly realized we were about to step out of the protective walls of MHS into a world of challenge and opportunity. As this year comes to a close, we wish you, the Senior Class of '73, success in whatever you do in your future.

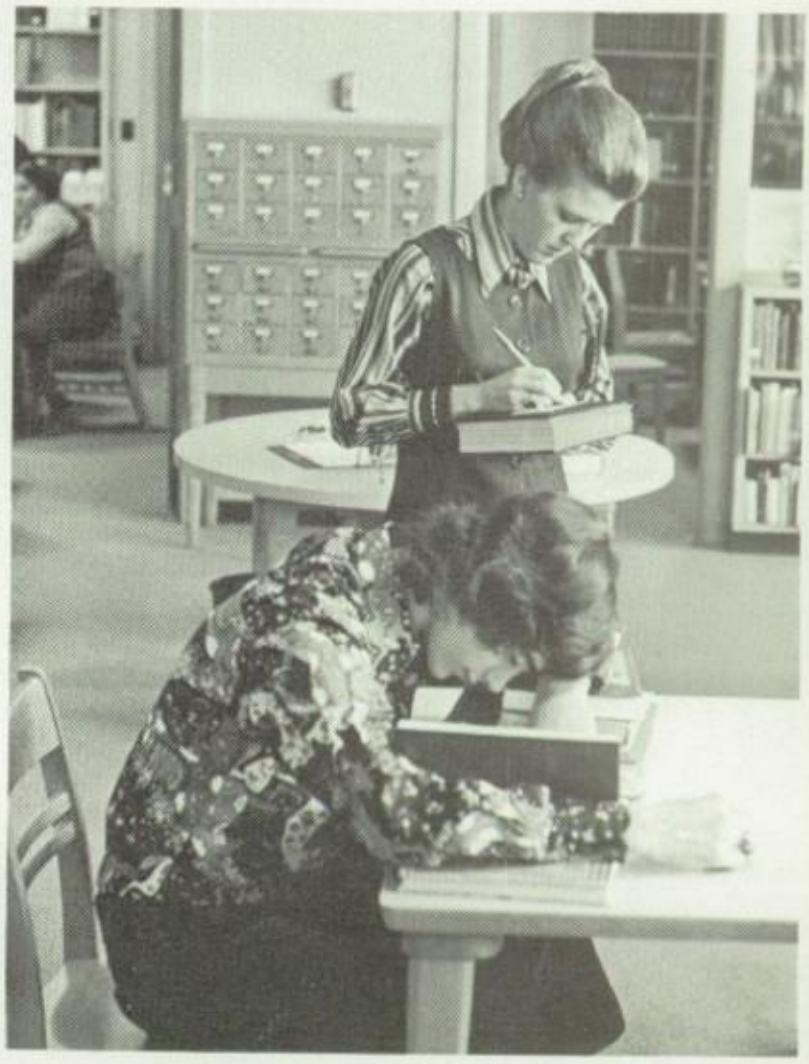
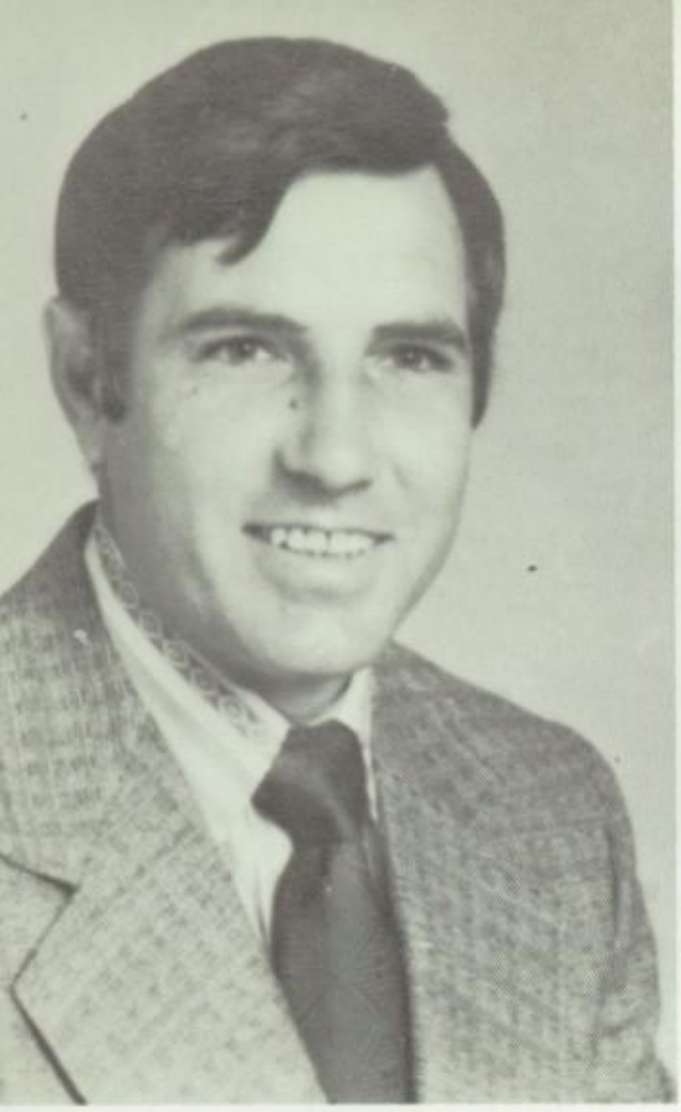
FACULTY





MR. WILLIAM R. UNDERWOOD
A.S.T.C., M.A.

Mr. Underwood, in his third year as assistant principal of MHS, has taken over many of the principal's duties. As well as handling matters of attendance and discipline, Mr. Underwood assumes complete responsibility when Mr. Shive is away.

Guidance Counselors

As well as two excellent guidance counselors, Mrs. Coble and Mrs. King, MHS is fortunate this year to have a student, William "Winky" Stewart, doing his internship in guidance. Mrs. Coble is primarily concerned with Juniors and Seniors – transcripts, College Boards, and application forms – while Mrs. King counsels Freshmen and Sophomores.

TO THE SENIOR CLASS OF 1972

May I congratulate you upon your impending graduation. You can rightfully be proud of your accomplishment, and I, too, am proud of you. Your class is characteristic of the fine classes that have graduated before you and inspiration to those that follow. I wish for you continued success.

I. B. Shive

Being a principal is not an easy job; there are many duties that demand constant attention. Mr. Shive handles all these duties efficiently and is always ready to help solve a problem. Thank you, Mr. Shive, for helping make Monroe High School what it is.

PERSONNEL

Our sincere thanks to these people who work "behind the scenes" to keep Monroe City Schools going smoothly. Mrs. Hawfield, Mrs. Brown, Mrs. Smiley, and Mrs. Sartain provide invaluable services to Dr. Batchelor in his work.

SUPERINTENDENT OF MONROE CITY SCHOOLS

Dr. Thomas H. Batchelor

Atlantic Christian, A.B.
East Carolina University, M.A.
Duke University, Ed.D.

Dear Seniors:

I would like to extend to each of you my sincere congratulations as you approach a most momentous period of your life.

Each of you stands on the threshold of opportunity and achievement. As you approach the end of your public school education, some of you will go on to more formal education and training while others enter the military or the world of work. In any case, I urge each to remember that life affords no higher pleasure than that of surmounting difficulties, passing from one step of success to another, and forming new wishes and seeing them gratified.

My wish for you, as you face the future, is that your successes outnumber your failures.

Thomas H. Batchelor

We welcome Dr. Batchelor to Monroe as Superintendent of Schools. He has brought many vital new ideas to the system and has made a good start in his first year.

BOARD OF EDUCATION

The members of the Board of Education are elected from all walks of life. MR. KOY DAWKINS, retained by the Board as School Attorney, is a lawyer in Monroe. MR. AL ORR is Vice-President of Johnston Mills. MRS. LANE DREW is a former French teacher. MR. DICK PIERCE is manager of Sally Mac Greenhouses. MR. ROBERT HUFFMAN is also a lawyer in Monroe. MR. DUKE PARKER is owner and operator of Duke's Grill and Duke's Enterprises. MR. CRAIG HORSMAN serves as Administrative Assistant of the Monroe City Schools. MR. FRED PARKER is president of People's Savings and Loan and is chairman of the Board of Education. DR. THOMAS H. BATCHELOR serves as Superintendent of the Monroe City Schools. MR. BILL McINNIS, absent, is manager at M & J Finance Company. MRS. JAMES BROWN, also absent, serves as secretary of the Board. The main job of the Board of Education is to determine school policies and expenditures. They form a vital link between the schools and the community.

ADMINISTRATION

DEDICATION

Mrs. Linda F. Hilton

Surprise!

The highest honor that the Senior Class can bestow upon a faculty member is the dedication of its MOHISCO. This, the twelfth MOHISCO, is dedicated to one who gives unsparingly of herself for students at Monroe High School. She devotes her time willingly not only to five English classes, but also to the MOHISCO staff. She has spent many hours with us after school and at night to an effort to bring this MOHISCO XII to you.

The Senior Class of 1972 dedicates its MOHISCO to you —

MRS. LINDA F. HILTON.

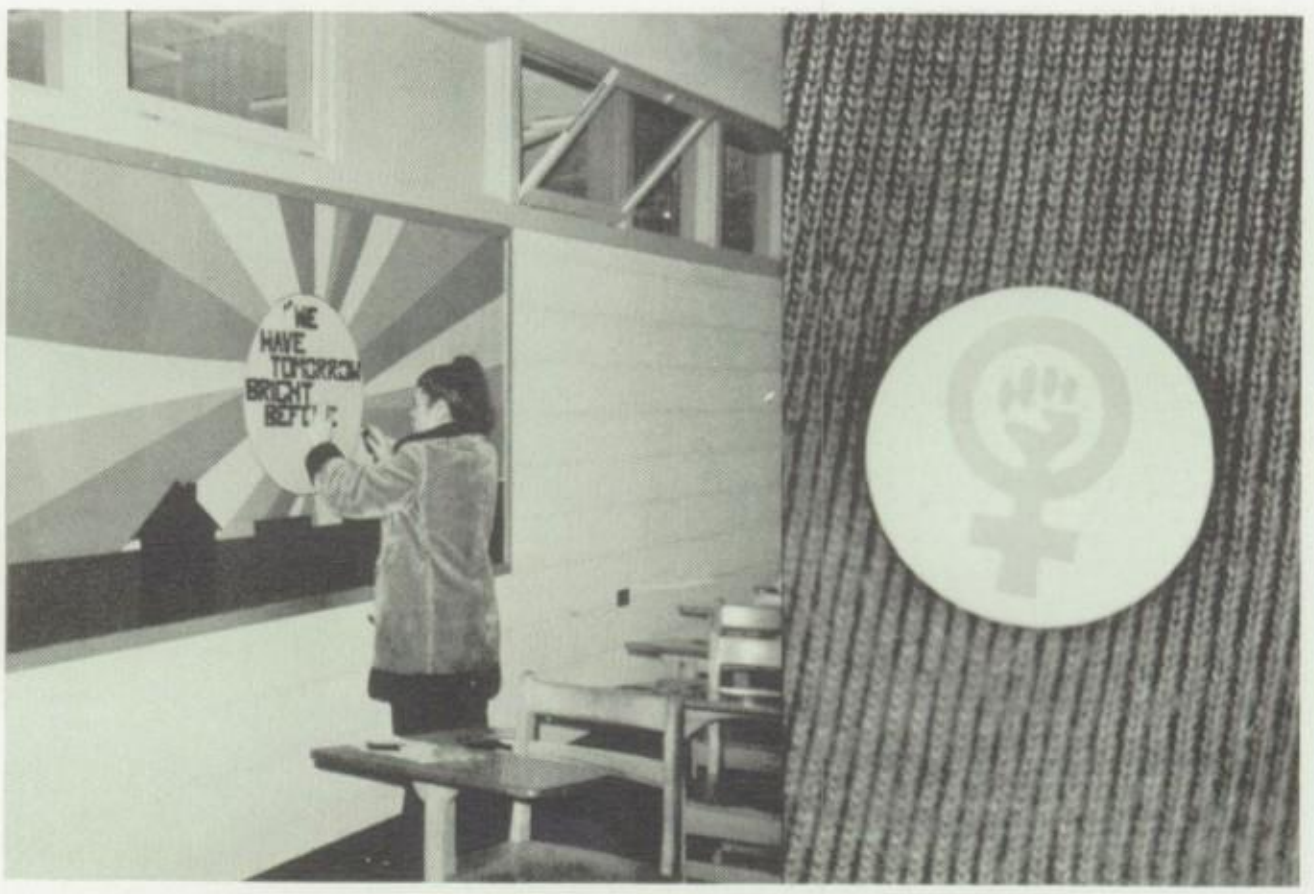
the cake. Even
without coke
machines, final
exams, or
activity period,
education endures.
For Monroe

High School's ultimate purpose is not to entertain. Or to prepare us for College. Or to send us out into Life. No, there is really only one reason for MHS to be here: to give us an opportunity to gain knowledge. And, as you know, Knowledge is Power. MOHISCO XII is merely its reflection.

Throughout
these pages
may you find
yourself — as
freshmen, sophomores,
juniors, seniors —
growing in
power!

Jane Cornelius
Gene Stowe

By this time, you know that power is the slogan of MOHISCO XII. But even if power had not been the theme, it would have been impossible to assemble a yearbook leaving out that vital element. For no school can exist without power. Yes, believe it or not, MHS could exist without its football team. And it could somehow survive without the student council, or the Junior-Senior Prom. All these are but icing on



Student Council . . . Library Club . . . Science
Club . . . French Club . . . FHA . . . Office
Assistants . . . Monogram Club . . . AFS . . .
The Rebel Yell . . . Chorus . . . Mohisco —
All are people, strong in union.
Working together . . . Planning together. . .
Accomplishing together . . .
Growing in understanding . . .
Growing in co-operation.
Striving for power.

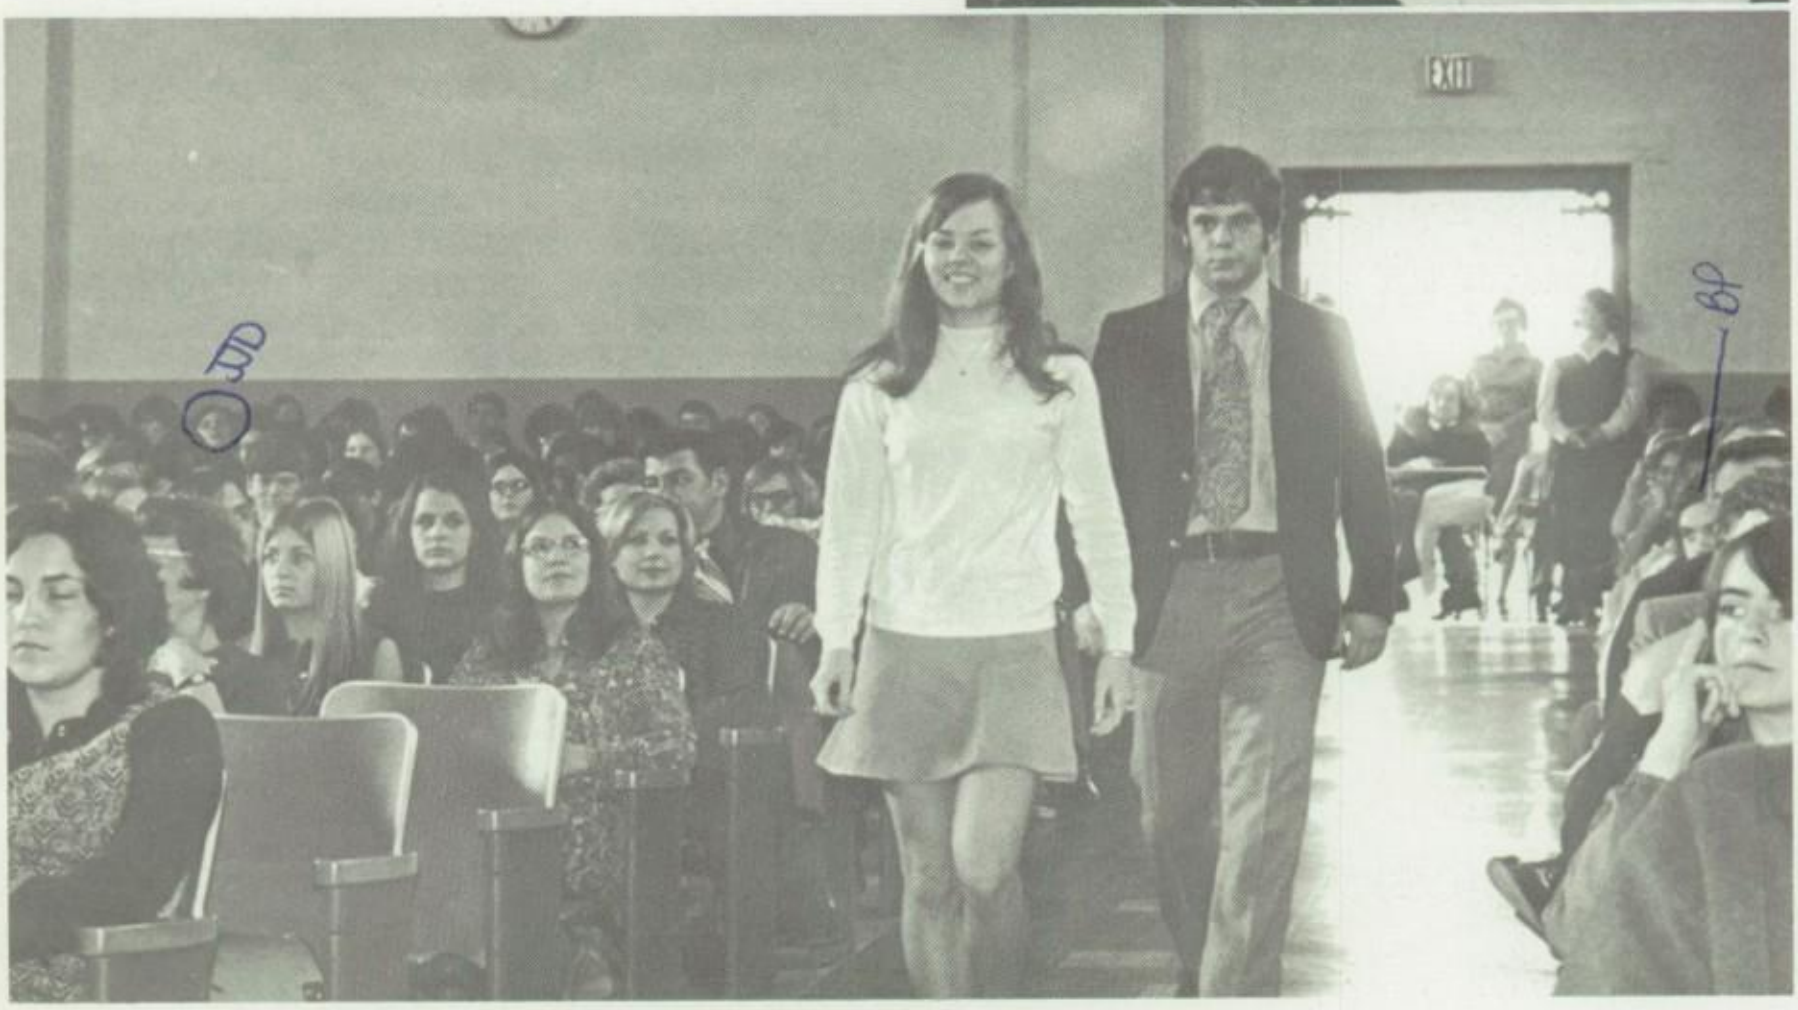
The National Honor Society tapping: candles, speeches, the pledge . . .

The Junior-Senior: formals and black ties . . .

Homecoming: parade, game, dance, and court . . .

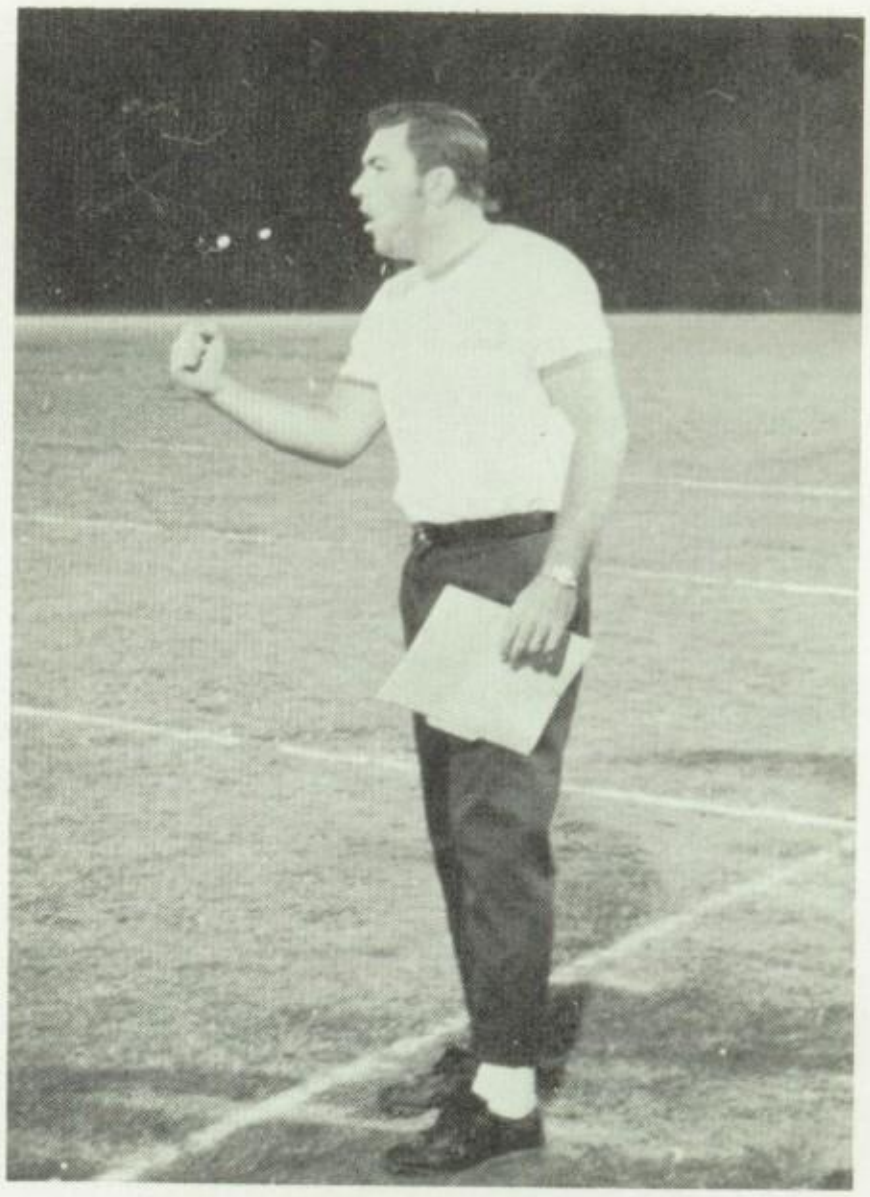
VICA and DECA: teas, projects, and pageants . . .

May Dance, Valentine Dance, Queens . . .



And more: the halls between classes . . .
The cafeteria at first lunch . . .
the daily routine of life at MHS . . .
Activities in all these many forms
make lasting memories —
The spirit of activities is power.

Go! Fight! Win!
Victory for MHS!
The roar of the crowd
after a Rebel touchdown . . .
A swisher with two seconds
to go . . .
The thrill of a homerun as
the ball sails over the fence.
The last spurt of energy
as the runner sprints to
the finish line . . .



Sports, more than anything else at MHS, provide a chance for students to demonstrate their power.

Whether it be support from the crowd or action on the field, the fierceness of athletic competition is the ultimate display of the desire for power.

Cotton banners in the wind:
Red, white, and blue, red and gray;
Patriotism, sorrow; war, peace;
Unity, "one nation under God";
Victory, liberty, and justice;
Independence, infinity, prosperity —
The flag is all of these,
    but it is more;
Above all things, and making
    of them one.
The flag comprises the nation's
    only power:
The power of people joined
    in common cause.

POWER: People power.
POWER: Strength. Might. Authority.
Force. The ability to do or act. Physical,

POWER: This is the theme of
your Mohisco 1972. Power at MHS —

"Nothing will sustain you more potently
than the power to recognize in your
humdrum routine . . . the true poetry
of life — the poetry of the commonplace . . ."
